Why am I receiving this?

Rushmore Servicing completed an analysis of your escrow account to ensure that the account is funded correctly, determine any surplus or shortage, and adjust your monthly payment accordingly. Rushmore Servicing may maintain an escrow cushion equal to two months' estimated taxes and insurance (unless limited by your loan documents or state law). This measure helps to avoid negative balance in the event of changing tax and insurance amounts.

What does this mean for me? At this time, your Escrow Account has less money than needed and there is a shortage of \$0.00. Due to this shortage and changes in your taxes and insurance premiums, **your monthly escrow payment will increase by \$103.70.** Effective 01/01/2025, **your new total monthly payment** will be \$2,457.66.**

Total Payment	Current Monthly Payment	Payment Changes	New Monthly Payment
PRINCIPAL AND INTEREST	\$1,734.07	\$0.00	\$1,734.07
ESCROW	\$619.89	\$103.70	\$723.59
Total Payment	\$2,353.96	\$103.70	\$2,457.66

See below for shortage calculation

What is a Shortage? A shortage is the difference between the lowest projected balance of your account for the coming year and your minimum required balance. To prevent a negative balance, the total annual shortage is divided by 12 months and added to your monthly escrow payment, as shown below.

> **Minimum Required Balance Lowest Projected Balance** \$1,447.18 \$1,447,18

\$0.00 / 12 = \$0.00

Please see the Coming Year Projections table on the back for more details

Prior Year Account History and Coming Year Projections

This is a statement of the actual activity in your escrow account from 12/23 through 12/24. This statement itemizes your actual escrow account transactions since your previous analysis statement or initial disclosure, and projects payments, disbursements, and balances for the coming year. The projections from your previous escrow analysis are included with the actual payments and disbursements for the prior year. By comparing the actual escrow payment with the previous projections listed, you can determine where a difference may have occurred. When applicable, the letter 'E' beside an amount indicates that a payment or disbursement has not yet occurred but is estimated to occur as shown.

Projections are included to ensure sufficient funds are available to pay your taxes and/or insurance for the coming year. Under Federal Law (RESPA), the lowest monthly balance in your escrow account should be no less than \$1,447.18 or 1/6th of the total annual projected disbursement from your escrow account, unless your mortgage documents or state law specifies otherwise. Your projected estimated lowest account balance of \$1,447.18 will be reached in August 2025. When subtracted from your minimum required balance of \$1,447.18, an Escrow Shortage results in the amount of \$0.00. These amounts are indicated with an arrow (<).

This escrow analysis is based on the assumption that all escrow advances made on your loan prior to your bankruptcy fili date are included in your bankruptcy plan and will be paid in the plan. This analysis considers insurance, taxes and other amounts that will come due after the filing of your bankruptcy case.

Bankruptcy Adjustment

The Prior Year Account History and Coming Year Projections section of the Annual Escrow Account
Disclosure Statement may contain a line item called "Bankruptcy Adjustment". This amount is a credit based upon the unpaid portion
of the escrow funds listed on the proof of claim to be paid through the Chapter 13 plan. The amount of the credit is calculated and
applied to reach the minimum required balance for the escrow account as allowed under the loan documents and applicable
non-bankruptcy law. The credit may not represent the total outstanding amount of escrow funds owed in the proof of claim but
ensures that any escrow funds listed on the proof of claim to be paid through the plan will not be collected through the escrow
shortage or surplus listed in the Annual Escrow Account Disclosure Statement. In some instances, only a portion of the proof of claim escrow
funds are listed as a credit to reach the required minimum account balance.

You will receive an Annual Escrow Account Disclosure Statement reflecting the actual disbursements at the end of the next escrow analysis cycle. However, you should keep this statement for your own records for comparison. If a previous escrow analysis statement was sent to you by your previous servicer, please refer to that statement for comparison purposes. If you have any questions, please call Tobey Scott at (877)-888-4623. Our hours of operation are Monday through Friday from 8 a.m. to 5 p.m. (CT). Visit us on the web at www.rushmoreservicing.com for more information.

Note: Any disbursements listed after the date of this statement are assumed to be projected or estimated.
